son's name and shows real interest in him.

I am very happy with the progress of my child since he joined the school. The school is always ready to help with the problems or concerns I raised.

My child really enjoys coming to school and I'm surprised how quickly he is learning. I am happy my children started his learning journey with Lake Farm Park Academy.

Very good school. Lovely staff.

I am really happy with Lake Farm Park Academy, the teachers and staff are very helpful and they are putting 100% towards my child.

Thank you for all your efforts for another successful year.

Lake Farm Park has exceeded my expectation for a new school. Lots of fun activities, my daughter loves it. I did recommend the school in the past to many people and will in the future as well.

Nursery staff are exceptionally friendly and helpful.

My son talks very highly of his nursery teachers.

Teachers maintain open communications with parents and keep them informed of what is going on in the classroom.

Thank you for your continued commitment, support and flexibility.

My child was very clingy and wouldn't leave my side. Now he is confident, cheerful and goes to school for 7 hours a day.

Thank you for the help and support you have given my daughter. We've seen her grow in confidence and discipline. We are pleased with the progress she has made over the year.

We as parents are extremely happy and glad that we chose LFPA as our daughter's school. She has really changed as a person and has grown into a bright and independent young girl.

More elaborate and frequent feedback from class teachers on child's progress would be more beneficial

More notification of dates for school events in advance.

There is often not enough capacity to meet demand in extra-curricular activities.

More activities after school.

I would like to suggest that the footpath from the car park into the playground is looked at and widened.

The school need to look at more way to guide parents of children with special needs to access special activities.

I would like to request dates on letters and possible option of paperless correspondence.
