Tuesday 31st May 2020

Dear 4ML,

I am writing to you to let you know that I am thinking of you and hoping that everyone is well. The last week of school flew by very quickly and towards the end of the week I only had half of you at school! I am missing seeing you all, having our class debates, and our chats over the school dinners we sometimes have together.

As you know, it was my birthday last week and I felt so happy reading the card that you all made for me. It was thoughtful, kind and a wonderful surprise! It was my first birthday without a trip to a restaurant for a long time so that's something I'm looking forward to in the future.

What sort of things are you looking forward to doing? What have you been getting up to at home? Between work tasks, I have been keeping busy by doing lots of cooking, writing songs and poems and chatting to friends and family on the phone. I have noticed that many of you have been using Bug Club, MyMaths and TimesTables Rockstars at home and I would like to say a huge well done to you! These online learning sites give you the chance to practise vital reading and maths skills and help you to gain a better understanding of what you are taught in school.

I know that many of you may have worries about the current situation and if you

do, please remember to always talk to someone and not to keep it to yourself. If there is something you think I can help with then please email year 4 and I will do my best to get back to you quickly with the advice or learning tips you might need.

Sometimes things happen in life that we cannot change, and we have to try and make the best of what *is* in our control. So that is what I want you all to do. Each and every one of you has worked hard with your learning: aiming high, showing respect, telling the truth and being role models. I would like you to keep up our values at home and school, no matter what happens. Think about how you can encourage others to have a growth mindset about every challenge you face.

If you ever feel sad or lonely, just think about all the funny times we have had as a class and I look forward to hearing from you soon.

All the best,

Miss L'Olive

My lovely birthday card from 4ML and LFP staff.
