Tuesday 31<sup>st</sup> May 2020

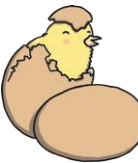

Dear Badger Class,

I am writing to you to wish you all the best and to let you know I am thinking about you all! I hope you are all keeping safe with your families at home and I look forward to hearing all the things you achieved whilst school was closed.

I can see some of you have been doing your home learning and logging into MyMaths, Bug Club and TT Rockstars to challenge yourself. Keep this work up because remember practice makes permanent and we want to continue to challenge and grow our brains!

I have had a busy week last week, I was in school helping some of our classmates. This week I have been keeping busy walking my dogs Max and Marley and learning some Spanish online.

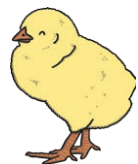

It is hard not seeing all your smiling faces in school but I am sure you are doing lots to keep smiling at home. Why not draw a rainbow and put in your window to remind others to keep smiling.

If you do need anything remember you can always email me and I am here to support you. Keep singing, dancing and smiling you could even try teaching your parents a game or teach them a skill you have learnt in school. I look forward to hearing from your parents how helpful you have all been whilst you have been at home.

Best wishes,

Miss Carlisle
