

Friday 1st May 2020

Dear Badger Class,

I am extremely proud to see children logging on and using our online resources. This shows Miss Carlisle and all the teachers at school all the fantastic ways you have been challenging your brains. You can send me pictures of art you have created or even videos of you working out or practicing your yoga moves. I am excited to see what you have been doing!

I know you are all working incredibly hard especially as this is a new and different way to learn! I would love to be able to see everyone in our class having a go at the online resources we have or letting me know how you are getting on with your learning packs at home. Remember if you're stuck at all please do not hesitate to get your parents to contact me vp12lfp@theparkfederation.org.

This week Miss Carlisle has been busy catching up with all our amazing staff at school through her computer. It was lovely too see Mrs Kerai even if it was on a computer screen! I know Mrs Kerai and Ms Chana miss you all! I let them both know all about the learning you are doing!

I have also been challenging myself this week to read more books. I wonder if you can challenge yourself to read a book from our myON website and take an Accelerated Reader quiz! I have also been trying to stay active even though the weather hasn't been as sunny this week. Max and Marley have enjoyed getting wet, muddy and even swimming in the rain!

Wishing you all the best,

Miss Carlisle, Mrs Kerai and Ms Chana
