

Friday 1<sup>st</sup> May 2020

Dear Grasshopper class,

I hope you are well and staying safe at home with your families. I am so proud to see how many of you have logged on to our new Google Classroom this week. It has been lovely seeing all your hard work and seeing how hard you are working at home; your poems are fantastic! It has been so nice to be in touch with you and your grownups again. Remember, I am here if you need help with any of the work, just send me a message. Well done to all of you reading lots of books on Bug Club, Keep it up Grasshoppers!

I have some really good news to tell you all, last week I got engaged which was very unexpected and a huge surprise. I have been very busy at home with my family starting to plan for the wedding. 😊

I have also been catching up with family and friends telling them the good news by speaking to them on video call and seeing how they are doing. Mrs Gill and I have been in touch, she is keeping safe and well at home with her family. She has been telling me about all the different food she has been cooking at home. Mrs Gill has been very busy helping her son with his schoolwork on Google Classroom. She misses you all very much.

Grasshopper class, I miss you all so much. I cannot wait to see you all soon and find out about all the things you have been doing at home. Please stay safe and make sure you do your learning as I will be checking. 😊

Best wishes,

Miss Viridy
