

27th April 2020

Dear Ladybird Class,

I hope you all have had a lovely Easter break with your family. The weather has been beautiful lately and I have enjoyed some of the sunshine in the garden. I hope you are all staying safe and have been enjoying some of the sunshine too. I have been learning to cook

and I have been trying to eat healthily

as well as doing some exercises.

I miss you all and I know you all must be thinking of your friends. I have shared a little poem I read. Something to remember each other by until we all meet again 😊

Best wishes,

Mrs Rafique
