Thursday 2nd April 2020

Dear Otter Class,

I hope that you are doing well and keeping safe. I am thinking of you all and wish we were back in class learning together. I am missing your smiling faces.

I wanted to write to you to let you know I am well and have been busy planning some fun and exciting lessons for when we are all back together.

Last week, I was in school looking after some of our classmates. This week I have been keeping busy with Joe Wicks every morning to ensure I am staying fit and healthy! You can also do this at home with me! Just find Joe Wicks on YouTube and he goes live every morning at 9am. I have also been busy baking and cooking as I love to do this in my spare time. I have attached a picture of a yummy red, velvet cake I made.

I can see some of you have been doing your home learning and logging into MyMaths, Bug Club and TT Rockstars to challenge yourself. Keep an eye out for my little messages I leave for you to let you know how you're getting on. Don't forget you can email me if you need any support (year2lfp@theparkfederation.org). Why not send me some pictures of your work? I would love to see what you've all been up to!

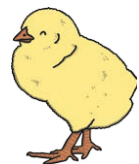

Mrs Ryan says Hi to all the lovely Otters and to remember to keep practising your amazing art skills, make a card for someone special or even make a story book. She looks forward to seeing you once we are back.

We are both looking forward to seeing and hearing about all the things you have been doing. Maybe you could keep a diary of your days at home or make a scrap book with all things you have made.

Keep smiling and stay safe Otters,

Best wishes,
Miss Verity & Mrs Ryan
