

LAKE FARM PARK ACADEMY

18th September 2019

Parental workshop for 'Online homework'

Dear Parent/Carer,

We are delighted to invite you to our parent workshop on **Friday 20th September 2019 at 2:30 pm.** This workshop will provide a comprehensive overview for you about our school home learning expectations. In addition, the workshop will show you how to access our online homework resources and how they will benefit your child. As a school we offer to all children our home learning resources Bug Club for building reading fluency and comprehensions skills, My Maths, a resource to build pupils' maths confidence and Times Tables Rockstars which supports pupils from Year 1 onwards with their recall of their times table facts.

On Friday, pupils will be receiving their online passwords in a sealed letter from their class teacher. It is important you keep your child's passwords somewhere safe at home for their use. If you are unable to access the internet, we will be running lunchtime clubs for pupils to practice their learning in school.

Yours sincerely

A handwritten signature in cursive script that reads 'A Carlisle'.

Miss A Carlisle
