**Reception Trips for the Year**

Dear Parent/Carer,

We are delighted to inform you about the exciting trips planned for Reception. The purpose of this letter is to inform you of costings for the trips so that you can pay with enough time, so your child is able to attend. The school is dedicated to offering a range of experiences for our pupils and therefore we are largely subsidising these trips and for all of these trips we require a **one off payment of £17** no later than the **Friday 20th December 2019** or **two instalments of £8.50** The first instalment is due **by Friday 15<sup>th</sup> November** and the second payment of **£8.50 is due no later than Friday 20th December 2019.**

In Spring Term, pupils will be receiving a visit from **Science Dome**. This is part of our Science topic on **Space** as children will be learning about the Solar System. Children will compare the different planets in the solar system and learn facts about them and the Sun.

In the Summer Term, pupils will be visiting **Iver Environment Centre** as part of our topic on **Mini beasts**. Pupils will be discovering the wonderful world of mini-beasts. They will explore Iver's pond and woodland habitats to discover aquatic and terrestrial invertebrates. They will then take a walk through Iver's grounds on a sensory nature walk looking for the different colours, textures and sounds nature offers and create a micro mini-beast hotel.

Finally, to end the pupil's year in Reception we have planned an exciting trip to **Hobbledown Adventure Farm**, in Horton. This is part of their childhood promise trip to expose pupils to a range of educational experiences during their time at our school. Children will get the opportunity to interact with animals, and take part in a "hobbler" activity at Hobbledown. They will also have the opportunity to explore the outdoor play area. The trip will include the transport and entry to the Farm.

Additional information in regards to the trips will be given closer to the time.

Thank you for your support.

Mrs F. Rafique  
*Reception Team Leader*
