

PSED and Communication and Language/ PSHE

- Knowing our rights
- Respecting the rights of others
- Following the LFP Way (Aiming High, Being a role model, Telling the truth and Showing respect)
- Understanding what safety is and what/who/ where we feel safe.

Expressive Arts and Design

We will be using different mediums to create art works based on our fairytale stories. We will use water colours to paint castles, we will use tissue paper to create a collage of a goat, we will be designing gingerbread men and making party food to celebrate Cinderella's marriage to the Prince.

FAB FRIDAY!

In each class children will be participating in an afternoon of life long activities.

The following are what will be happening in each class:

1R-Cooking

1S-Art

1M-Music and Drama.

Topic and Key Questions

Learning

We will focus on Phonics and reading this half term, increasing children's understanding and love of books.

In topic we will be learning about different fairytales drawing a timeline for when the stories were published.

We will learn about the history of fairytales and the similarities and difference. We will look at how fairy tales have change over the decades.

Final outcomes for the half term

- To inspire and encourage children to read and use their amazing imaginations as much as possible.

Physical development

Dance and Movement

- Keep fit exercises
- Dance and Movement
- Being a Team Player
- Developing our independence ; being able to change and dress during PE.

Science

Exploring and Investigating

We will be learning about materials. We will explore different materials and investigate the purpose of materials for different objects. We will be linking this to our key text 'The Three Little Pigs'.

Literacy

Key texts:

1. **The Three Little Pigs**
2. **Jack and the Beanstalk**
3. **Goldilocks**

- Learning and sequencing stories
- Predicting text
- Retelling story and then creating own version
- Writing own stories
- Developing use of adjectives and conjunction (e.g. and/because)

Maths

- Place Value
- Numbers to 20, digits and words
- Addition and subtraction.

Please help your child learn their number bonds to 10 as well as counting from 0 to 100,

RE

We will be learning about values, understanding the values of different cultures and religions and respecting values of others which are different from our own.
