

Spelling Bee Round 1

We have decided to hold a school Spelling Bee. In a Spelling Bee there may be different rounds or one just one final. Your teacher will explain to you how it will work.

- After the first round, everyone will be tested on the words.
- Children who show amazing effort or ability will move through to the next round. Everyone will be rewarded for taking part.

Round 1: You may be tested on any of these

You may also be tested on topic words that you may have come across in your learning, e.g. food.
