

Dear Parents and Carers,

Please support your child in choosing at least **two projects to complete**. The children need to complete the work to the best of their ability and produce work that they are proud of and can display. **The final date to hand in the project work is Monday 16th April**.

The children will have a celebration day when they share the projects they have completed at home with your help.
If you have any questions, please ask your child's class teacher.
Thank you
